
Debra S. Gibbons

Radiology

Dr. Debra Gibbons received her Degree of Veterinary Medicine from Colorado State University College of Veterinary Medicine and Biomedical Sciences (CSU CVMBS) in 1996. After completing an Equine Ambulatory Internship at North Carolina State College of Veterinary Medicine, she returned to Colorado State University for a residency in Diagnostic Imaging and received a Masters Degree in Diagnostic Imaging from the CSU CVMBS Department of Environmental and Radiological Health Sciences in 2000. She successfully completed her specialty board exams and is a Diplomate of the American College of Veterinary Radiology (Diagnostic Imaging).

She has enjoyed multiple roles as a veterinary radiologist, including owning mobile radiology and ultrasound businesses in the Phoenix, AZ and Dallas/Fort Worth, TX metropolitan areas, being a diagnostic imaging faculty member of the CSU CVMBS, and being a staff radiologist for specialty practices.

Her and her husband, along with their dog, Tigger, moved to Firestone, CO in August, 2018. She looks forward to being a member of the team at Aspen Meadow, working together with the other specialists and staff to provide great medicine and compassionate care to veterinary patients.
