

# LUNCH & LEARN TOPIC MENU

Get more out of your Lunch & Learns with Aspen Meadow Veterinary Specialists. Our team of specialists wants you and your colleagues to feel supported as you maintain the health and happiness of your patients. We have a wide variety of prepared lectures detailed below, but if you don't see a topic that you were hoping to learn more about, we can specially tailor a lecture for your hospital's needs. In-person visits may be available to hospitals within a 40-mile radius of Boulder or Longmont. Video chat options are also available.

Please contact Jamie Eamon at [jeamon@aspenmeadowvet.com](mailto:jeamon@aspenmeadowvet.com) if you are interested in scheduling a Lunch & Learn or if you have any questions. Food and beverages will be provided.
